Foreword

Every yearbook attempts to put into some tangible form the achievements of that year. This, your 1956 DEN, endeavors to present a truly representative record of the highlights of our happiest days in all their glory.

As you turn these pages compare in your mind the Daingerfield Schools we know with the schools that were ours in the past years. Our beautiful buildings have been made possible principally through the great industrial plant, Lone Star Steel Company, which is located in our school district.

We the student body would like to express our gratitude to Lone Star Steel Company for what it has meant to our schools. Many new friends have been made, our way of life has been changed, and for all the many advantages brought us by the Lone Star Steel Company we are grateful.

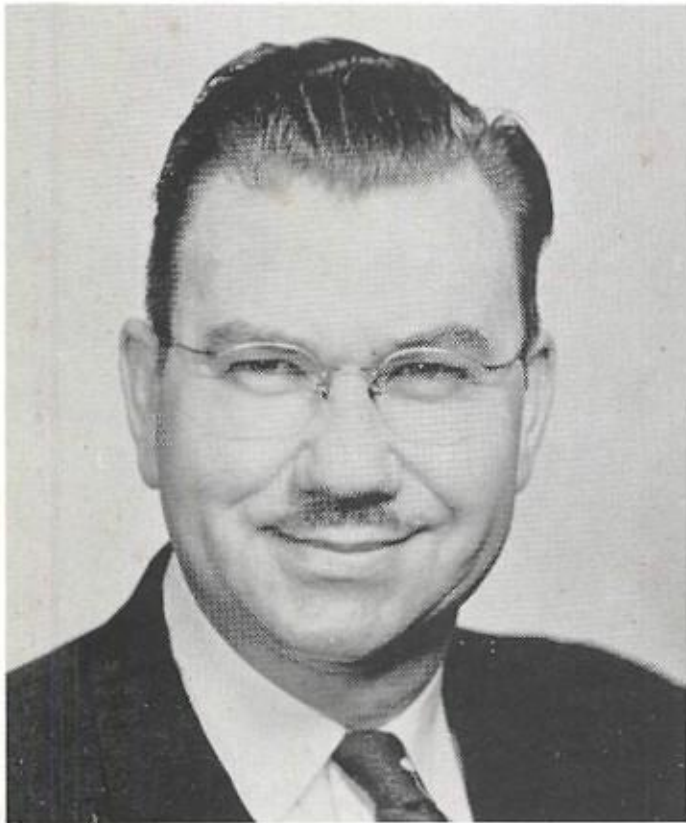

Dedication

We, the Den Staff of 1956, dedicate this book to the Board of Education in appreciation for the unselfish time and effort that they have given to our student body in providing us the advantages of an excellent school system. We know that our school could not have moved forward without a progressive school board, who has spent long hours in planning our educational opportunities.

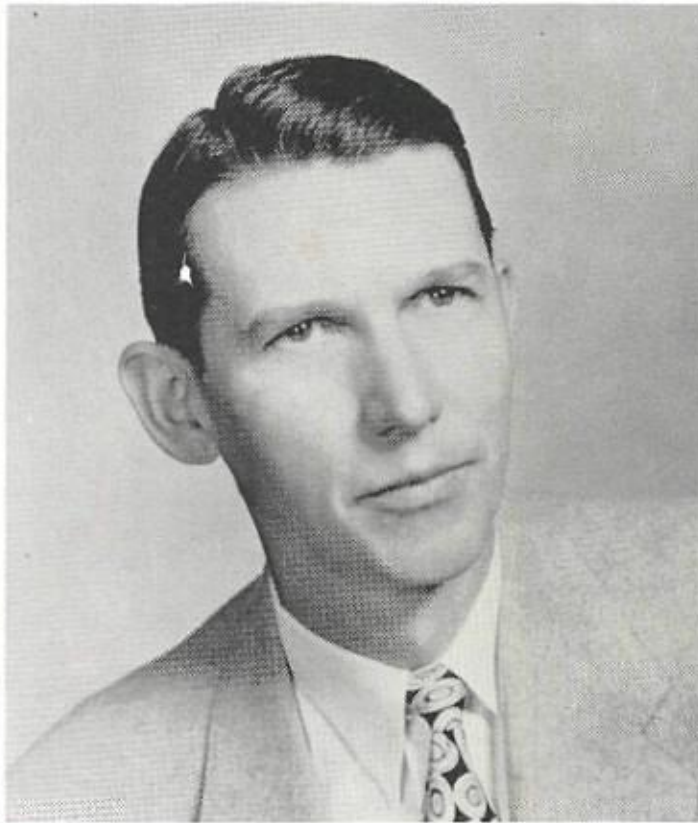

And so it is with the greatest of pleasure that we show our appreciation for a job well done by dedicating THE 1956 DEN to our Board of Education.

In Memoriam

In one sense there is no death. The life of a soul on earth lasts beyond her departure. We will always feel her life touching ours, her voice speaking to us, her spirit looking out of other eyes, talking to us in the familiar things she touched, worked with, loved as familiar friends. She lives on in our life and in the lives of all others that knew her.

DR. J. W. EDGAR
Committee of Education

Close to 750 East Texans ignored sweltering heat Sunday to attend a dedicatory program and examine the new \$650,000 Junior-Senior High School at Daingerfield. After the hour's program the crowd surged through the hallways and examined the sprawling, five pronged building that tops a low hill about a mile southwest of Daingerfield on Highway 26.

J. D. Parrish, superintendent of Daingerfield's public school system, was master of ceremonies and introduced each speaker. The Rev.

Dedication Program for Daingerfield Junior -Senior High School and Lone Star Ele- mentary Buildings.

MR. E. B. GERMANY
President of Lone Star Steel

E. B. Germany, president of the Lone Star Steel Company, huge Steel plant at Daingerfield, delineated briefly the enormous progress made industrially in the Daingerfield area, and pointed out the contributions of the steel plant to the growth of the area. The school system he said, was in keeping with the progress made and designed to meet future needs of a rapidly expanding community.

J. D. PARRISH
Superintendent of Schools

Mr. Parrish, introductions were interlaced with an interesting array of facts about the new school and the growth of the Daingerfield system.

Special congratulatory remarks were made by five leading Texans and Dr. J. W. Edgar, Commissioner of Education, made the principal address.

John Lockhart of the First Methodist Church offered the invocation and George L. Bass, president of the Daingerfield Board of Education, made the welcoming remarks.

After attending dedication service, Guide Gayle Nix, Wanda Sellars, Mr. Kenneth McCord, former DHS teacher, and Mrs. Huey Minter visit the library.

Mrs. Florence registers guest Mr. R. G. Peterson, Resident Engineer; Mr. J. E. Arnold, Division Manager of Daingerfield Convair; and Mr. Stanley Brown, Architect of high school building.

Mr. Parrish

Our likable superintendent, Mr. J. D. Parrish, is now in his nineteenth year of teaching and administrative work. For four of these years he has been superintendent of Daingerfield Schools.

He attended The University of Texas, where he received a Bachelor of Science degree in social studies. The Master's degree in school administration was granted to Mr. Parrish by East Texas State Teachers College in 1949.

We students admire our superintendent for his sense of humor and recognize his ability in the field of educational supervision. The student body, the faculty, and the entire community are fortunate and proud to have a man of such capabilities as our superintendent.

Future Homemakers of America

These girls are learning the essentials of homemaking and bettering their lives today so that they will be prepared for the future. This club's activities began at the first of the year with a tea and open house in the ultra modern homemaking department. The initiation of the new members supplied a day of merriment for the whole school. Some of the other activities of the year included a Christmas party, distribution of food to needy families, and trips to area and district meetings.

With four seconds left in the game the Tigers broke up the Atlanta Rabbits into the end zone for a touchdown. The defenders knocked the intended receiver as the end of the game.

The two clubs fought for the first period of play and in the second quarter Gene Boyd from Atlanta on the 22, play Tom White threw a pass to Wilbur McConnell in the end zone. Loyd kicked the pat.

The Tigers led 7-0 at the half.

Atlanta recovered a fumble by the Tigers to set up their first score in the third period of play, tying the score 7-7.

With twenty seconds remaining in the third quarter, the Tigers took the Rabbit kick-off, and a 54 yard drive ended in a score when Jones raced two yards for the six pointer. Jones kicked the pat, a point that later proved the margin of the win.

In the last two minutes of the game Atlanta recovered a Tiger fumble on their own 19 and brought the crowd to its feet.

In the football season of 1955-56, the Daingerfield Tigers won seven games, lost two, and tied one while finishing in second place in the District 14-AA race. The Tigers started their workouts on a very hot day, August 22 and continued to have two workouts daily for the next two weeks. With the beginning of school the workouts were reduced to once a day in the evening after school hours.

The Tigers, with several players injured, lost the first game of the season 12-6 to Pittsburg. But came bouncing back to roll over Hughes Springs 40-7 and Pewitt 26-6 to wind up the non-conference

The Tigers played their finest ball game of the season against the Atlanta Rabbits. The two teams fought up and down the field before the Tigers took a 7-0 lead in the second quarter. We also offer our gratitude to our principal, Mr. O. R. Caldwell who has been very generous in giving us extra time to work, and to our photographers William Rhew and Lonnie Hester who have helped us immensely in the planning of our pictures. We want to express thanks to Mr. J. M. Brashear and Mayo Lanagan for their help to further the success of this annual. And to all the people who have contributed to the publication of this annual, and we thank you, the student body and faculty members of Daingerfield High School for the support and cooperation you have so willingly given us.

The woman on the left is wearing a dark dress, and the woman on the right is wearing a light-colored dress. In the background, there is a large industrial structure with multiple levels and walkways. A bright, glowing stream of molten metal is being poured from a large ladle into a container. The scene is filled with smoke and steam, creating a hazy atmosphere. The overall tone is industrial and dramatic.
